

## **ATHLETIC VISIONING SESSION**

- New or renovated athletic spaces will be thoroughly coordinated with the athletic department.
- Coaches currently mow and maintain athletic fields.
- Open green space on campus is consistently requested by youth teams for practice use (multiple requests per week).
- Football game field is a quality playing surface, but synthetic turf is desired to stay competitive in the region. The synthetic surface would also permit greater usage, because current usage is limited to protect the quality of the natural grass.
- New football press box (currently a highly visible eyesore).
- New concession stand (with restrooms?).
- Full size natural grass soccer field in lieu of dual use synthetic football/ soccer field.
- Locker rooms:
  - Single locker per athlete and coach.
  - Add locker room addition to the IPF to serve football, cross country, and track.
  - Raze and re-design existing locker room spaces.
  - Relocate athletic training, laundry, and football conference and office spaces to the IPF addition.
  - Relocate IT.
  - Supervision and security are critical concerns.
  - JV locker rooms should be separate but adjacent to varsity.
  - Separate middle school locker rooms.
  - Separate visitor locker rooms.
  - New soccer locker rooms adjacent soccer field.
- Lack of storage is a major issue for indoor and outdoor sports.
- Renovate basement to serve as storage space.
- MAC facility is under-utilized. Re-work to make functional.
- Need two additional full size basketball/ volleyball courts.
- Wrestling needs a home.
- Replace football bleachers.
- Permanent soccer bleachers.
- Replace main gymnasium bleachers. Possibly locate new locker rooms or storage rooms under home side bleachers.
- Add another hospitality space in the main gymnasium.
- New school entry.
- Relocate indoor baseball adjacent to baseball stadium.
- Fabric dome structure.
- Balance of appropriate privacy control
- Possibly 1 coach area per each locker room
- Coaches office space with cubicles
- Coaches office area- bullpen
- Couple of special parent areas
- Coaches meeting space, multi-sport
- Shared training space
- Visitor locker room – maybe under gym bleachers, also use for faculty
- Other support areas/offices/oversight/supervision/conference room
- Football
- Move to west of IPF
- Old locker room is new?
- 50-60 capacity meeting room
- Expand IPF west, multiple sports

- Basketball
  - Boys new area
  - Girls new area
  - Bleachers (locker rooms, visitor?/ storage underneath)
- Baseball
- Move to east, new building
- Old baseball building is new?
- Cross Country – locker room
- Wrestling – locker room, practice area, mat storage
- Volleyball – locker room
- Track – locker room
- Soccer – locker room
- Cheer – locker room, practice area, mat storage
- Mat, spring floor, mirror, vocal & music
- Pom – locker room, practice area, hard floor, mirror, music
- Tennis – locker room. currently off campus, need 6 courts
- Swim – locker room, long term practice plan
- Currently use Jenks facility
- Golf – locker room, storage
- Currently off campus at Jenks South Lakes
- Athletic training – expand and move
- Off season- office, storage
- Considerations
  - Football stadium synthetic turf
  - Press box
  - Concessions
  - Metal bleachers
  - Elem/MS considerations
  - Storage
  - Parking
  - Visitor locker rooms
- Sport Seasons
- Fall, 130-157
  - Football (year-round)
  - Cross country
  - Volleyball
  - Cheer
  - Pom
- Winter, 54-29
  - G. Basketball
  - B. Basketball
  - Swim
  - Wrestling
- Spring, 160-185
  - Baseball
  - Soccer
  - Track
  - Golf
  - Tennis
- New Fieldhouse
- Permanent space for cheer & wrestling
- Host regionals
- Current HS Participation:

- Total # of HS athletes: 349
  - Total # of boys: 205
