

## **PROFESSIONAL DEVELOPMENT VISIONING SESSION**

- More storage throughout.
- Science labs—more space and cutting edge technology.
- Inspiring main entrance.
- Unified campus.
- Designated space to receive guests.
- Campus map/ orientation guide (facility is confusing for guests and new families).
- Electrical, lighting, power improvements.
- Maintain primary classrooms for all students in one building.
- Tennis courts.
- Windows and natural light.
- Improve external traffic flow.
- Improve emergency preparedness.
- Media center/ library improvements.
- Add women's locker room for faculty and staff use.
- Senior's lounge.
- Relieve corridor congestion—possibly increase width.
