

Dear

Being part of the Metro family means being part of a special group. Metro Christian Academy truly has a unique position within our community as an interdenominational college preparatory school with no church affiliation. This provides us the opportunity to play a role in many families' lives academically and spiritually.

As new members to the Metro family, Éowyn, our kids, and I want to extend our sincere thanks to you for your support as our family has transitioned into this community. We have been blessed by your hospitality and welcomed into this school family. I am excited about all the Lord has in store for us, and for the school.

I am reaching out today to announce this year's ALL IN Campaign. When I first heard about this fundraising effort, it inspired and encouraged me. What an amazing thing, our parents, grandparents, alumni, and businesses – being “all in” for Christian education. This campaign says so much about the Metro community. Make no mistake YOUR support is vital to its success. Every year we come together as a community knowing we are called to be more and to do more.

Over the years the ALL IN campaign has supported facility updates, athletic and fine arts equipment, transportation, and so much more. Unlike tuition, this campaign is voluntary, and your donation is 100% tax-deductible. In addition to your gift this year, thank you for all the ways you are advancing Metro. Whether you are cheering on our great student athletes, serving in the classroom, wearing a Go Patriots shirt, or sharing your Metro story with others, your support contributes so much to the success of our school.

In all things, “We proclaim Him,” and I hope you will join us this year to honor Metro with your financial gifts as well as your spiritual gifts. Thank you for your thoughtfulness and consideration to support the 2018 ALL IN campaign for Metro Christian Academy.

Sincerely,

Keith A. Currivean, Ph.D.  
Headmaster
