SUMMER 2020

**METRO

CAMP PATRIOT

Summer is meant for adventure

Hello students, parents, and families!

Welcome to Camp Patriot...our summer programming here at Metro Christian Academy. We are very excited about the incredible selection of programs available to all our Metro and community students and families again this summer...our 4th summer since relaunching this program! Many of our sessions are brand new and several are repeats, back by popular demand and requested by former Camp Patriot campers. With over 100 unique theme-based camps, a Camp Patriot @ Camp Loughridge session, and more than ever high school for credit courses, Camp Patriot has something for everyone and every age group!!! Last summer we had our highest attendance yet, with over 500 registrations for Camp Patriot 2019! We can hardly wait to see how our program will continue to grow this year in 2020!

It is our hope that your family will be a part of our programming here at Metro this summer. Our wonderful summer staff brings excellent talent, qualifications, expertise, a heart for students, and a true passion in planning and creating a memorable, fun experience for every single camper. The majority of our summer staff is from our very own Metro faculty and staff team. Campers will enjoy a relaxed, supportive, and healthy environment that promotes fun, learning, and personal growth. Our wide range of summer programs provides campers with many choices to gain experience in a variety of areas, as well as potentially introduce them to new things. Learning is a continuous endeavor, and we hope you consider Camp Patriot as the place for your student's summer learning, growth, development, and fun. Whether you need summer programming for your student for a half day or a full day, for educational purposes, for enrichment, to expose your student to something new, or just for fun...we have something to meet your needs.

Please review the following pages for information about our educational, fun-packed summer program. We trust you will enjoy Camp Patriot and the great variety of opportunities and hope you choose to be a part of our Camp Patriot family this summer. We are honored to have you, and we are whole-heartedly committed to providing the very best possible programming to all of our students and families! If I can help you in any way as you plan your student's summer activities, please contact me. I look forward to seeing your camper enjoying Camp Patriot at MCA with us this summer!

REGISTRATION & DEADLINES

Camp Patriot 2020 registration must be completed and paid for online. Visit www.camppatriottulsa.com or www.metroca.com and click on the Camp Patriot 2020 icon to register. Please register your camper based upon the grade he/she is entering in the Fall 2020. Early registration is highly recommended, as camp session sizes are limited and many popular camps do sell out. Please note: registration closes one (1) week prior to the start of each camp session at 9:00 am the Monday before the start of each camp session. To request to be added to the waiting list for a specific camp, after it has sold out, please email your camper's name and grade (entering in fall) to campspatriot@metroca.com. Please be sure to include the camp name, date, and time. You will be contacted by email if a spot opens. Metro Christian Academy reserves the right to cancel any camp session for which there is insufficient enrollment. If a camp session is cancelled by Metro for any reason, another camp session can be selected, or a full refund will be given.

LATE FEES & WALK-UP REGISTRATION

To register after the online registration for a particular camp session has closed, you must contact the Camp Patriot office directly (campspatriot@metroca.com or 918-745-9868 ext. 141). If space and supplies allow for a camper to be registered after online registration closes, there will be a \$15.00 late fee charged per camp session per camper. For any walk-up registrations, there will be an additional \$20 fee per camp session per camper. All walk-up registrations will be handled in a separate line and will be processed only after all pre-registered campers have been checked-in on the first day. Please be aware, there is also no guarantee we will be able to accommodate any walk-up registrations.

SUMMER CAMP SCHEDULE

Camp Patriot will hold weekly sessions beginning Monday, June 1 through Friday, July 31. Camp Patriot and Metro's offices will be closed the week of June 29 through July 3 for the Independence Day holiday.

COST

Camp Patriot costs vary. The average price for each camp session (3 hours per day/5 days per week) is \$100. Some camps cost more due to transportation costs, additional supplies costs, etc. Other camps require campers to bring certain supplies on the first day. Parents will always be notified of any changes, specific supplies needed, etc. prior to the first day of camp. Please see the camp "week-at-a-glance" schedule for exact pricing.

Important Information:

- As of May 4th, 2020, Metro's Administration has made the decision to move ALL High School for Credit Summer Classes for Camp Patriot's Summer 2020 to a Remote Learning format. All 7 HS for Credit Summer Classes will ONLY be available in this format this summer.
- All these classes will now be offered in 2 different sessions. See the schedule listed above. Any classes taken in the June session will start on June 1, 2020 and must be completed no later than June 26, 2020. All classes taken in the July session will begin on July 6, 2020 and must be completed no later than July 31, 2020. One benefit of this Remote Learning format for these classes is that instead of a set 2-weeks or 4-weeks, with 4 or 6 hours per day in a classroom setting, students will now be able to work at their own pace and have an entire month to complete the work for each class.
- Art 1 is the only class that will require a student to be enrolled in both sessions, June and July, as this is a full 1-credit state recognized class and requires 120 hours of instruction time.
- For all ½ credit Bible Classes, approximately 40 total hours of instruction time will be required. For all other ½ credit classes, approximately 60 total hours of instruction time will be required. Depending on the class, students can expect to spend an average 10-15 hours per week per class.
- Government and Apologetics will now be available for rising Juniors & Seniors only.
- All registration and class fees will remain the same, as originally posted and advertised.
- All classes need a minimum of 5 students for the class to make.
- We are still planning to offer several other academic enrichment sessions for our High School students as originally planned, in person along with all other Camp Patriot sessions, such as: two (2) Metro on Mission Community Service Hours sessions; three (3) Ready, Set, Apply sessions; and one (1) Sophomore Summer Reading session.
- For all students/parents that have already registered for one of these classes, there is no need to do anything additional or new. Teachers will contact all registered/enrolled students the week prior to the start of each class with specific instructions. Each teacher will use a different variety of videos, Zoom calls, emails, online assignments, and more for the Remote Learning format of their class.
- As stated in the Camp Patriot policies and procedures, registration will close one week prior to the start of each camp session/class, at 9:00AM the Monday before the start of each class.
- To see full class descriptions, prices, and to register, please go directly to www.camppatriottulsa.com.
- For all registration and scheduling questions, please contact Leann Cherry at lcherry@metroca.com.
- For all academic questions, please contact Robby Davis at rdavis@metroca.com.
