

Whew!

They made it.

(And, we did, too!)

Having endured an unprecedented and unfathomable period of time, God's people finally crossed over.

When they did, they concluded (and celebrated!) three things:

- 1.The LORD is our strength.
- 2.The LORD is our song.
- 3.The LORD is our salvation.

Strength: As our theme scripture for this 2019 - 2020 school year states, "God has [already] given us **everything** we need for life and godliness....For this very reason, make every effort to add to your faith... **perseverance.**"

Song: Having persevered, having "triumphed gloriously" (Ex.12:1), and beginning to anticipate their next exciting **phase**, the people celebrated – with God being the theme of their jubilation; with the LORD being the motif of their refrain.

Salvation. They knew God had delivered them before; they rejoiced in the reassuring reality that He was **delivering them again!**

So...

Happy Mother's Day, Metro Moms! We love you. We need you. We appreciate you. We celebrate you. We couldn't have done this without you!

And, congratulations to all of our students, but especially to our ...

Class of 2020!

You made it! We look forward to celebrating you more in July – in LOTS of wonderful ways. But, for now: Thanks! Thanks for enduring an unprecedented 4th quarter of senior year. Thanks for doing so with grit and with grace. We're saddened by many of the things that we missed with you. But, we look forward to moving forward, and we look forward to celebrating you—**with** you. Congrats! Enjoy! See you soon!

Grateful to be serving (and, to be celebrating!) together,

Keith
