

one community + people helping people

METRO CHRISTIAN ACADEMY

Dear Metro Families,

What a joy to be in-person! We have renewed appreciation for being together in community. People need many things, but we can be sure that people need people—as God intended it to be!

Coming into the 2020-2021 school year, our faculty and staff prepared innovative solutions to unprecedented challenges. New health and safety guidelines changed many of our processes and systems. From seating charts to handwashing to creative lunchroom solutions, we have learned new ways to thrive—together!

In light of our togetherness, we are honored to announce this year’s end-of-year campaign, **Metro Gives: One Community-People Helping People.**

Each year at this time, we identify school needs—beyond operating budget. This year, we’ve identified two projects:

- **OUTDOOR MULTIPURPOSE VENUE**
- **UPDATING BASEBALL SEATING**

Through **Metro Gives**, we will donate 10% of funds received to the Community Fund and other non-profits that directly support the works of Metro’s faculty, families, students, and staff in our neighborhood—and, beyond!

So, as we reflect upon 2020, we are first and foremost grateful for you and your generosity and flexibility. As Galatians 6:9 encourages us, “May we never grow weary of the good works we are called to, and may we always do that work **together.**”
